each session, the Chairman of the Third Committee should propose to the Committee the limitation of the time to be allowed to speakers.

2. Further to General Assembly resolutions 45/175 of 18 December 1990, 46/140 of 17 December 1991 and 50/227 of 24 May 1996, on the rationalization of the work of the Third Committee, statements made by individual delegations and by members of the United Nations Secretariat, specialized agencies and others on a single item or sub-item should not exceed 7 minutes; statements made by individual delegations on more than one item or sub-item should not exceed 10 minutes; and statements made on behalf of groups of delegations should not exceed 15 minutes, unless decided otherwise by the Committee at the beginning of the session. Statements made on sub-items (b), (c), (d) and (e) under the item entitled "Human rights questions" should be limited as follows: (a) statements made on one sub-item should not exceed 7 minutes; (b) statements made on two sub-items should not exceed 10 minutes; (c) statements made by individual delegations on all four sub-items should not exceed 15 minutes; and (d) statements made on behalf of groups of delegations on the item as a whole should not exceed 25 minutes. B. TIMELY CIRCULATION OF DOCUMENTATION

3. It is important to emphasize the necessity of the timely distribution of documentation in all the official languages of the United Nations in accordance with the rules of procedure of the General Assembly. The unavailability of documentation in all the official languages and its late circulation to members of the Third Committee severely hampers the smooth running of the Committee's programme of work.

C. DRAFT RESOLUTIONS ON REPORTS OF TREATY BODIES AND REPORTS OF THE SECRETARY-GENERAL ON THE STATUS OF THE TREATIES

4. Reports of all treaty bodies will be submitted to the General Assembly in accordance with their respective legislative mandates. Substantive resolutions on those reports should be adopted biennially, in accordance with the programme of work of the Third Committee. Where possible, it is recommended that draft resolutions on the status of the treaties should not be submitted separately but should be incorporated in the draft resolution relating to the report of the treaty body. In alternate years, the Committee should simply take note of the reports unless more substantive action is deemed appropriate.

D. PROPOSALS EMANATING FROM SUBSIDIARY ORGANS OF THE ECONOMIC AND SOCIAL COUNCIL

5. The Economic and Social Council, in transmitting proposals to the General Assembly, should, to the extent possible, bear in mind the programme of work of the Third Committee.

6. An informal meeting of the Third Committee should be held immediately after the election of the members of its Bureau in order to consider the programme of work of the Committee on the basis of a draft to be prepared by the Secretariat and to consider other organizational aspects of the Committee's work, especially the status of documentation.

51/426 Report of the Economic and Social Council

At its 82nd plenary meeting, on 12 December 1996, the General Assembly, on the recommendation of the Third Committee, 121/took note of chapters I to IV, V (sections A and E) and VII of the report of the Economic and Social Council. 122/

3. Decisions adopted on the reports of the Special Political and Decolonization Committee (Fourth Committee)

51/427 Military activities and arrangements by colonial Powers in Territories under their administration

At its 83rd plenary meeting, on 13 December 1996, the General Assembly, on the recommendation of the Special Political and Decolonization Committee (Fourth Committee) 123/, by a recorded vote, adopted the following text:

"1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to an item on the agenda of the Special Committee entitled 'Military activities and arrangements by colonial Powers in Territories under their administration', 124/ and recalling its resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination, and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

"2. Aware of the presence of such bases and installations in some of those Territories, the General Assembly urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

120/ Report submitted to the General Assembly through the Economic and Social Council.

121/ A/51/608, para.12.

122/ A/51/3 (Parts I-III). To be issued in final form as Official Records of the General Assembly, Fifty-first Session, Supplement No. 3 (A/51/3/Rev.1).

123/ A/51/596, para. 13.

124/ A/51/23 (Part III), chap. VI.

"3. The General Assembly reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Assembly once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with its relevant resolutions.

"4. The General Assembly reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

"5. The General Assembly deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

"6. The General Assembly takes note of the decision of some of the administering Powers to close or downsize some of those military bases in the Non-Self-Governing Territories.

"7. The General Assembly requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories which constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

"8. The General Assembly requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the Assembly at its fifty-second session."
